Letter No. 12254/Cl. dated the 29th April 1941 from the Registrar of Co-operative Societies, stating that there should be created an Assistant Registrar and the staff to work under the Chief Marketing Officer and requesting sanction to the appointment of an Assistant Registrar of Co-operative Societies, in grade Rs 150-25-250, two Inspectors of Co-operative Societies in grade Rs 60-5-75, One Typist clerk in grade Rs 25-2½-50 and two peons on Rs 11/- each per month to work under the Chief Marketing Officer.

No. 5297-357 / JIC 303-40-1 dated 18th/21st May K

A Copy of the G.O sanctioning the creation of a Marketing Dept in this State is placed below for perusal. In the G.O referred to it has been stated that the Marketing Dept will be responsible for organising Co-operative agricultural marketing societies and that, to facilitate action in this respect the Chief Marketing Officer will have delegated to him the powers of a Joint Registrar in respect of such societies and that an Assistant Registrar and a suitable staff from the Dept of Co-operation be transferred to the new Dept to work under the Chief Marketing Officer. This is now being shifted to the Department of Co-operation showing the crucial year and necessary provision therefor from next year onwards being made separately.

2) The Registrar now reports that, it is not possible to have the staff required as per his proposal for redistribution of the charges of divisions by absorbing the special establishment of the L.M. Scheme, it will be still necessary to have

He has additional staff to work under the Deputy Marketing Officer.

3) As the Registrar has expressed his inability to spare any staff from his Dept, the question of debiting any expenditure on this account to the Dept of Cooperation during the current year does not arise. As additional staff is asked for, provision if sanctioned, will have to be made separately under the head Marketing Department in the budget of next year and onwards. The proposal involves in an additional cost of Rs 277/- per mensem and annual cost of Rs 4032/- per annum.

4) In view of the fact that the additional staff for Ghee will have to work under the Deputy Marketing Officer and provision therefor will have to be made in the budget of the Marketing Dept it is for orders whether the proposals of the Registrar may be transferred to the Director for necessary further action. The proposal of the Registrar requires concurrence of the Finance Department. Subs for orders

(0) I have discussed the question with Mr. Abdul Hukh, Registrar of Co-operative Societies. He said that he had submitted proposals to Government in regard to the reorganisation of the Co-operative Department and redistribution of charges among the Deputy Registrars and the Assistant Registrars. In view of these proposals he thought it desirable to entrust the Co-operative Marketing work to all the Assistant Registrars within their respective jurisdictions instead of to one Assistant Registrar who is proposed to be posted to work in my office as per Government Order No.D.5297-5357/I&C 303-40-2 dated 18-4-41 sanctioning the establishment of the Marketing Department. The Assistant Registrars in each of the circles in the State will be in close touch with the conditions prevailing in their jurisdiction and will be in a better position to attend to this work. Since the activities connected with the organising and running of co-operative marketing societies is to be conducted all over the State, this arrangement would be more effective than the one contemplated in the Government Order under reference. There will be no difficulty regarding adminstrative control since the Chief Marketing Officer has been notified as the Joint Registrar of Co-operative Societies as per the above Government Order and so far as Marketing work is concerned each of the Assistant Registrars will be responsible to the Chief Marketing Officer who will send copies of orders issued to the Registrar of Co-operative Societies

11) Further Mr. Abdul Hukh stated that the work of the Deputy Registrar of Co-operative Societies who is stationed at Bangalore had been made lighter and that he would have supervision of the Central Co-operative Marketing Society which is proposed to be opened in Bangalore City and with which the Marketing Department will work in close co-operation. The Deputy Registrar is proposed to be Head Quarters Assistant to the Chief Marketing Officer for Co-operative Marketing work. It is however necessary to have a Co-operative Inspector of Senior Grade to work entirely in the Marketing Office to deal with the work of co-ordinating the activities in the different districts. I agree with the Registrar of Co-operative Societies in regard to the arrangements mentioned above.

12) A Steno-typist clerk to attend to correspondence connected with Co-operative Marketing and two peons are also required to work in the same connection.

13) I therefore submit the following proposals in place of the arrangement mentioned in the above Government Order viz., posting an Assistant Registrar with a small staff to this Department.

(a) The Deputy Registrar of Co-operative Societies to be the Head Quarter Assistant to the Chief Marketing Officer for Co-operative Marketing work.

(b) The Assistant Registrars to be in charge of all Co-operative Marketing work in their jurisdictions and be subordinate to the Chief Marketing Officer in regard to Marketing work.

35) Under the Government Order of 18th April 1941, it is the Marketing Department that is responsible for the organisation of regulated markets and establishing grading stations in the State and for the organisation of Agricultural Co-operative/Marketing Societies. It is this latter part of work viz., the organisation of Agricultural Marketing Societies that has to be taken up by the Assistant Registrars of Co-operative Societies in the Districts under the direction of the Chief Marketing Officer and ex-officio Joint Registrar of Co-operative Societies in respect of Marketing Societies. Hence there is no question of issuing any notification placing the Assistant Registrars under the Chief Marketing Officer. All that is necessary is, in my opinion, a notification to the following effect:-

"In exercise of the powers vested in them under Section 4 of the Mysore Co-operative Societies' Act VII of 1918 as amended from time to time, the Government of His Highness the Maharaja of Mysore are pleased to appoint

the Chief Marketing Officer in Mysore as ex-officio Joint Registrar of Co-operative Societies for Co-operative Agricultural Marketing Societies and to confer on him all the powers of a Registrar under the said Act in respect of such Co-operative Agricultural Marketing Societies".

36) In this connection, I wish to make it clear that this Department cannot possibly tackle the problems relating to grading stations and regulated markets and that this work should continue to be attended to by the Marketing Department itself. The Co-operative Department will be responsible only for the organisation and development of Co-operative Agricultural Marketing Societies under the direction of the ex-officio Joint Registrar of Co-operative Agricultural Marketing Societies.

43) The Registrar further points out that so far as the words relating to the organisation of regulated markets and grading Stations was concerned, it has to be attended to by the Marketing Department itself. He is of opinion that Asst Registrars cannot be entrusted with this work as indicated in G.O dated 1.6.42. Kind reference is invited to D.M. in the linked file wherein it is stated that the Asst Registrars will be entrusted with all the work for which an Asst Registrar was intended to be placed at the disposal of the Chief Marketing Officer. (4) The work relating to the Organisation of Regulated markets and Grading stations is not directly in the nature of the work relating to Co-operative Societies, and I concur with the views taken by the Registrar of Co-operative Societies that the former work should be attended to by the Marketing Dept. generally. Sir,

Adverting to G. O. No.D..5297-5357/I and C 303-40-2 dated 18th April 1941 sanctioning the establishment of a Marketing Department in the State and directing among other matters, that an Assistant Registrar and a small staff from the Department of Co-operation be transferred to the new Department for work under the Chief Marketing Officer, I have the honour to state that in view of the heavy charges of some of the Divisional officers and Inspectors, I have proposed a redistribution of the charges, by absorbing the Asst. Registrar and 3 Inspectors for Land Mortgage Work and it will still be necessary to have an additional Asst. Registrar to secure a uniform distribution. It is therefore not possible to spare any Asst. Registrar and staff from among the present officers and staff for work under the Chief Marketing Officer. I therefore request that the marginally noted additional staff may be sanctioned for

1. One Asst. Registrar of C.S. on Rs.150-25/2-250	the Depart-
